

Tool: Team Effectiveness Assessment

Before the beginning of the crisis in Ukraine, we embarked into a team effectiveness journey the first step of which was to assess our team and build the foundation. To do so we used the below methodology and tool which proved to be useful and highly recommended. [Source Linkage](#)

Team Effectiveness Assessment™ (TEA) Framework

Team Effectiveness Assessment

With such an assessment, you can quickly fill the gaps and give your team development goals including each and every individual. Here is our roadmap step-by-step in Ukraine
